

## **Haughton's Shore, Lough Garadice**

### Directions

Take the N3 to Cavan and the N55 to Killeshandra. Go through Killeshandra and follow the R199 towards Ballinamore. About 0.5 miles after Newtown Gore you will see Lough Garadice on your left. The entrance to Haughton's Shore is clearly marked.

### Summary

Bream, roach and hybrids are all present. Bream will respond to feeder methods but if the wind is blowing onto the shore they will come in closer onto long pole or waggler/slider lines. Match target species is roach and hybrids on waggler/slider or long pole and short line. The shelf is at 12-13 metres depending on where you are. The venue is shallower the further away from the moorings you are.
